Through this notice, students enrolled in the College for various programs are informed that a feedback portal with **URL (dhe.nic.net.in)** has been created by Higher Education Department, UT of J&K. The students can provide feedback about the faculty teaching a course and about the College as well. The feedback will be taken twice in a semester.

Presently, the feedback portal is open for feedback from students of **Semester-IV (Batch-2020)** and **Semester-III (Batch-2021)** as they have completed their **45/90 days** of their academic semester. The student will login to the website with **username (Class Roll.No.)** and **password (Mobile No. registered with the College)** and can provide feedback about the course being taught as well as general feedback of the College.

In case a student faces any difficulty in using the feedback portal can contact office of the undersigned.

These circular instructions had already been issued vide No.ICS/1981-82/F-15 Dated 29-08-2022.

Here, it is impressed upon students that their feedback is very precious for College as the same will help in upscaling the deliverables to the students. As such all students are once again asked to provide the feedback about the faculty and about the College at the earliest.

Providing of feedback should be considered as part of teaching learning process and all students should immediately login to the feedback portal available on College website and do needful by or before 12th of November, 2022.
